The Shape of Art
Draw like an artist and create your own Yellowstone poster!

YELLOWSTONE FOREVER

Circles, squares, and triangles are the building blocks of all artists, from famous painters to beginners.

1. Look
Think of your favorite place outside. Try drawing it using only rectangles and squares.

2. Imagine
Imagine you have a magnifying glass. Draw and zoom in on all the things you can see.

3. Observe
The geyser is erupting! Draw the rest of the eruption!
